

200 club

Got your number?

explained...

1. What is the 200 Club?

It is a lottery of 200 numbers, for a monthly draw, which will raise much-needed funds for Old Colfeians Rugby Football Club (OCRFC).

2. What do I have to do?

Simply complete an application and standing order form committing you to £5 a month and return it to your age-group manager or any committee member. (Entrants must be 16 years and over).

3. What will happen once I submit my application and standing order form?

Your form will be processed and you will be allocated your unique 200 club number. You will be entered for the draw, once we have received your first monthly payment.

4. What are the prizes?

This depends on the number of participants in the 200 Club, but not less than 50% of proceeds are awarded as prizes. An indication of the number and amount of the prizes can be found on the OCRFC website.

5. Where and how will prizes be drawn?

A list of when the prizes will be drawn can be found on the OCRFC website. Each draw will be made at the clubhouse and a member of those present will be invited to draw the lucky numbers.

6. How will I receive my prize?

If you are winner you can collect your prize on the day of the draw or you will be notified by email and/or contacted by phone. Prize money can be issued in the form of a cheque or electronically transferred to your bank account.

7. What do I do if I want to cancel my membership?

Notify your bank that you wish to cancel your standing order.
